## ***FREQUENTLY ASKED QUESTIONS***

### ***1. Does the buyer need to have all cash on the day of the auction?***

NO, the successful bidder typically pays 5-10% of the final accepted total contract price as a non-refundable deposit. **In this case the amount is \$10,000.00.** The balance is required in 45 days, depending on the individual auction terms (just like a normal real estate transaction). Our auctions mimic the standard closing time frame (i.e. 45 days).

### ***2. If the buyers require financing can an appraiser have access to the property after the auction during the escrow period?***

YES, we can allow appraisers and other inspector's access throughout the escrow period. If the property requires termite work and the buyers want to have it done, the work can also be completed prior to closing.

### ***3. Is the seller obligated to do repairs or any termite work?***

NO, the properties sold at our auctions are sold "as is" with no contingencies.

### ***4. Who pays the escrow and title costs?***

The buyer bears the cost related to closing.

### ***5. Can any inspections be made to the property prior to the auction?***

YES, unlike foreclosure and tax sale auctions we hold one - two previews prior to the auction and one immediately prior on auction day. We recommend all potential buyers thoroughly inspect the properties. The properties can also be scrutinized by a home inspection company if the potential buyer wants to pay for this service. The property can also be shown at any time during the marketing period.

### ***6. Where does the auction usually take place?***

Almost all of our auctions are held at each individual property. If the auction is not being held onsite then the location of the auction can be found by clicking on the specific auction link in the Current Auctions area of the website.

## ***HOW TO BID AT OUR REAL ESTATE AUCTIONS***

1. Call Rawlings Auction, Appraisal & Realty, LLC @ (301) 473-5796 or attend an open house to obtain a bidder's package. **REAL ESTATE AGENTS WELCOME.** Call us if you have any questions ... we're there to assist you.

You will be guaranteed clear title if you are the successful bidder. A title insurance policy will be issued from a reputable Title Company at the close of escrow at buyer's expense.

2. Come to an open house to view the inside of the property. Feel free to bring a home inspector to check out anything you feel is necessary. The property will be sold in "AS IS" condition.

3. A specified amount (check the auction's terms for amount) is needed to participate as a bidder at the auction. Make sure to bring a cashier's check or certified check made out to ***YOURSELVES*** when you check in on the day of the auction. Allow plenty of time to get to your bank so you don't miss the auction. The auction will start promptly at the time advertised. If you are the successful bidder, your cash, cashier's check or other approved funds from the seller will be deposited into a secure trust account and escrow will be opened the next business day following the auction.

4. When you check in you'll be given a bidders card with a number on it. When you want to bid, just raise your card. The auctioneers are very friendly and will help you, so don't be intimidated by the process.

5. A 6% buyer's premium will be added to the final bid to determine the total purchase price. For example, if the final bid on a property was \$ 100,000, \$ 6,000 (6 %) will be added to determine the price the successful bidder paid for the property. Example \$ 106,000 would be the total sale price.

(100,000 + 6,000).

6. You will have up to 45 days to close (check the auction's terms for closing period) with the balance of the amount needed. If you don't close in this time frame, the upfront deposit money could be non-refundable if the seller doesn't agree to an extension. It is advisable that if you need assistance from a lending institution to help fund the transaction, that they are efficient in providing the necessary money to close in the appropriate time frame. Any extension on closing must be approved by the seller.

It's that easy! Please ask as many questions as you need to, so you feel comfortable about the auction process. We are here to assist you and want to help make bidding at our real estate auctions an enjoyable experience. All the best.
