## <u>Frequently</u> <u>A</u>sked <u>Q</u>uestions

• Why is the property being sold at auction instead of using the traditional listing method: Some owners require an Accelerated sale for various reasons including; foreclosure, divorce, bankruptcy, estate settlement, transfer, surplus disposal or corporate liquidation. Our clients need to

know when their property will be sold.

#### • Why sell at auction?

To sell on a known date, with the maximum number of interested parties present, and prepared to purchase, on the day of sale.

#### • What is the minimum bid?

If the property is designated as an <u>absolute</u> property:

- The property will be selling to the highest and last bidder, regardless of price.
- The crowd will start the bidding.

If the property is NOT designated as an absolute property:

The sale is subject to seller confirmation. In the event there is no minimum bid, and/or no suggested opening bid; the crowd will start the bidding wherever they like. The final bid is subject to seller approval. The seller's are very motivated, and **BippusUSA**.com expects to sell the property on auction day. (*Note: The seller reserves the right to make Absolute day of sale.*)

#### • What will the house sell for?

It is not possible to give a correct answer. It all depends on the bidders on the day of auction.

#### • How much will the property bring?

There is no way of predicting the selling price prior to the day of sale. Neither **BippusUSA**.com nor any involved realtor is able to accurately predict the outcome of a sale.

#### • How much is the property worth?

A current appraisal or the last listed price may give a guide. It should not be regarded as the definitive value.

#### • How much will the property sell for?

In an auction you just never know! It is dependent upon the number of interested bidders present, and what they are prepared to pay on the day.

#### • Is there a starting bid?

The BIDDERS determine the starting bid on the day of the sale.

#### • What about title? Will I buy a property with unpaid taxes or liens. What is the mortgage?

All **BippusUSA**.com auction properties are sold with good, insurable title and no liens, judgements, mortgages, or back taxes. There are no assumable mortgages on auction properties.

(For absolute properties with mortgages, if the price comes in below the mortgage, the seller brings cash to closing so the mortgage will be paid off)

If the title cannot be cleared, the deposit is refunded to the Buyer.

#### • If I can't be present at the auction can someone bid for me? Can I bid by telephone?

Yes. You may appoint a representative to bid on you behalf or **BippusUSA**.com offers live remote bidding by telephone.

#### • Can I make an offer before the auction?

Absolutely. We will write the offer and present it to the owner for acceptance. Of course, the Terms & Conditions of the auction should be followed. We recommend that you make your best offer at this time.

#### • What happens if the high bidder fails to close?

**BippusUSA**.com immediately notifies the backup bidder in order to secure a new Purchase Agreement. If not, the property is made available to other registered bidders and the open market.

#### • What guarantees are there?

The seller provides title insurance & warranty deed at closing, guaranteeing good, free & clear title. Property is sold as is. Any inspections can be done prior to the auction. (Any known defects must be disclosed--- **BippusUSA**.com must know of these defects so they can be announced on sale day to bidders, if appropriate.)

#### • What is the Buyer's premium?

The buyer's premium becomes part of the contract price. Usually 10% will be added to the bid price to determine the contract price. This must be taken into consideration when bidding.

#### • Is there any financing?

No. The buyer is responsible for their own financing (the sale is NOT contingent upon financing.) If bidders plan to finance, they may want to have a bank pre-qualify them. (Historically, **BippusUSA**.com has not had a problem with a bank closing in 30 days as long as they have had the buyer's financial info handy)

#### • This is my first auction, what should I do?

First, we recommend that you call your lender and pre-qualify. Then check out the values in the neighborhood and inspect the property. Set a range of value or limit for your bidding and be prepared to bid up to that limit. Arrive early at the auction site to register and get to know the auction staff. Get comfortable and relax. Listen closely to the Auctioneer. Raise your bid card to signal a bid. The Auctioneer will use his rhythmic "chant" to call the bids. Bid assistants will help you if you so choose. Don't be bashful or you may miss a great opportunity.

#### • How long will the auction last?

The auction takes only a few minutes and start precisely on time. It is advised that bidders arrive at least 15 minutes before sale time.

#### • How big is the response to auctions? How many people show up?

There is no way to predict this. You really never know until sale day how many bidders will show up. All auctions are widely publicized and an open day is usually held ahead of time to allow bidders access to see the property in an unhurried way. Many factors influence prospective bidders.

#### AUCTIONEER'S NOTE:

If you are interested in an advertised property, whatever price you have in mind, *BippusUSA.com*, strongly encourages you to attend the auction. The process doesn't take long, and it can be fun. We are not in this business for practice, at the end of the sale someone will be the lucky buyer. Why shouldn't it be YOU!

This auction is conducted by **BippusUSA**.com acting as auctioneer/listing agent. **BippusUSA**.com is solely responsible for the terms and conditions of this auction and the manner in which it is conducted.

#### SELLER'S AGENTS

A seller's agent, under a listing agreement with the seller, acts solely on behalf of the seller. A seller can authorize a seller's agent to work with subagents, buyer's agents and/or transaction coordinators. A subagent of the seller is one who has agreed to work with the listing agent, and who, like the listing agent, acts solely on behalf of the seller. Seller's agents and their subagents will disclose to the seller known information about the buyer which may be used to the benefit of the seller.

Individual services may be waived by the seller through execution of a limited service agreement. Only those services set forth in paragraph (2)(b), (c), and (d) above may be waived by the execution of a limited service agreement.

#### **BUYER'S AGENTS**

A buyer's agent, under a buyer's agency agreement with the buyer, acts solely on behalf of the buyer. A subagent of the buyer is one who has agreed to work with the buyer's agent with who, like the buyer's agent, acts solely on behalf of the buyer. Buyer's agents and their subagents will disclose to the buyer known information about the seller which may be used to benefit the buyer.

Individual services may be waived by the buyer through execution of a limited service agreement. Only those services set forth in paragraph (2)(b), (c), and (d) above may be waived by the execution of a limited service agreement.

#### DUAL AGENTS

A real estate licensee can be the agent of both the seller and the buyer in a transaction, but only with the knowledge and informed consent, in writing, of both the seller and the buyer.

In such a dual agency situation, the licensee will not be able to disclose all known information to either the seller or the buyer. As a dual agent, the licensee will not be able to provide the full range of fiduciary duties to the seller or the buyer.

The obligations of a dual agent are subject to any specific provisions set forth in any agreement between the dual agent, the seller and the buyer.

#### TRANSACTION COORDINATOR

A transaction coordinator is a licensee who is not acting as an agent of either the seller or the buyer, yet is providing services to complete a real estate transaction. The transaction coordinator is not an agent for either party and therefore owes no fiduciary duty to either party.

#### DESIGNATED AGENCY

A buyer or seller with a designated agency agreement is represented only by agents specifically named in the agreement. Any agents of the firm not named in the agreement do not represent the buyer or seller. The named "designated" agent acts solely on behalf of his or her client and may only share confidential information about the client with the agent's supervisory broker who is also named in the agreement. Other agents in the firm have no duties to the buyer or seller and may act solely on behalf of another party in the transaction.
