Heidi is 16.2HH and Hazel is 17HH. They are 1/2 sisters. We bred and raised this team.
Both mares are out of blue roan sire and dam. They are extremely gentle, giving beginner guests trail rides in the Rocky Mt. for the last 4 summers. The last 4 winters they have been giving sleigh rides around the Breckenridge Ski Resort. Snow guns, snowmobiles, sledders, and skiers do not faze them. They have hauled manure and worked abreast on the power unit baling hay. We have raised many nice foals out of them. They were exposed to a triple registered Blue Roan Brabant Stallion last fall. Traffic safe. UTD on everything. A team for the whole family.

Willow Spotted Saddle Horse Mare - Brown & White 17 Yrs Old
This little mare has been bomb-proof for us and has an incredible personality. She is a very easy keeper. Not spooky. She is good with flags, tarps, gunshots, fireworks, other farm animals, and wildlife. We have showed her in 4-H and done trail rides with her. She rides well alone or in a group. She is very responsive and requires light pressure when riding. She loves water, and loves to be bathed. She stands for farrier. Does not require shoes, and trailers well. We were told she is broke to drive, but have never driven her. She is UTD on everything.
