Real Estate: Proudly sitting on 3.2 acres in Ashland County, this 1,744 sq.ft. raised ranch house is ready to become your home. The lower level consists of an oversized 3 car garage, as well as a family room with a wood fireplace, half bath, large laundry room and a room that could be used as an office or den. The upper level has a large kitchen with newer custom oak cupboards, lantern style tile backsplash and an island in between the dining room. A sliding glass door leads to the inground pool and concrete patio, complete with a basketball hoop and small building to house pool equipment. The living room as well as the 3 bedrooms, all with nice sized closets, have doors leading to the balcony, where you can sit and enjoy the great outdoors. Two full bathrooms and two linen closets finish the upper level. The home is heated with comfortable boiler heat fueled by a wood/coal burner or fuel oil heat, and presently has a well, however, Rural Lorain County Water is available at the road, allowing the new homeowner to pay to tap in if desired. A 40x22 shed with electric, sits on the back corner of the property, perfect for storage, and once upon a time housed a few small barnyard animals.
