1. TERMS OF SALE:

- i) All items will be sold "As Is." Auctioneer may attempt to describe the merchandise in advertising or on the internet but makes no representations to accuracy. In NO event shall Auctioneer be held responsible for having made or implied any warranty of merchantability or fitness for a particular purpose. Auctioneer will not be responsible for any errors or omissions in the description of the merchandise, typographical errors, misprints, loss of merchandise or money, damage or failure of equipment of the auction platform site. Use of the site is at Bidder's own risk. Bidders shall rely entirely on their own information, judgment, and inspection of property and record. It is the Bidder's responsibility to determine condition, age, genuineness, value or any other determinative factor. Bidder shall be the sole judge of value. The Auctioneer is not responsible for the actions the Sellers and Buyers take before, during and after the auction.
- ii) Auctioneer uses email mailing lists to notify its customers about online auctions. If Bidders are receiving a particular mailing and wish to discontinue receiving future mailings, simply use the Safe Unsubscribe link at the bottom of the email.
- iii) Auctioneer assumes no risk, liability, or responsibility beyond the limited warranty contained herein. The authenticity of the authorship attributed to the property as described in this catalogue is guaranteed to the limited extent as stated.
- iv) Any other terms or conditions will be posted and will take precedence over printed matter. Auctioneer assumes no risk, liability, or responsibility beyond the limited warranty contained herein. Auctioneer reserves the right to reject any bid. The highest bidder acknowledged by the auction platform site will be the purchaser.
- v) Auctioneer reserves the right to make additions and withdrawals of any property before or during the sale and shall have no liability. ALL SALES ARE FINAL. No adjustment will be made with regard to merchandise or inventory after the item has been removed from the premises or after the removal date posted by the Auctioneer, whether or not the property has been removed. The Auctioneer reserves the right, for any reason, in their sole discretion, to terminate, change or suspend any aspect of any auction sale.
- vi) If Auctioneer is unable to make available any items won, or a portion thereof, the sole liability of Auctioneer, if any, shall be limited to a refund the monies paid in respect of such items.

The purchaser will be liable for any deficiency, any and all costs, handling charges, late charges, expenses, and commissions of both sales, legal fees, and expenses, collection fees, and incidental damages. In addition, a defaulting purchaser will be deemed to have granted and assigned the property or money to Auctioneer or its agents and consignors or any of their affiliated Companies, and Auctioneer may retain and apply such property or money as collateral security for the obligations due. The purchaser of each lot agrees that each lot is unique and that Auctioneer, in its sole discretion, shall not be required to sell or otherwise seek to mitigate damages should such purchaser fail to pay the total purchase price. Payment will not be deemed to have been made in full until Auctioneer shall have collected good funds. Auctioneer reserves the right to hold all purchases pending collection of the total purchase price.
- (a) As a condition to registration and bidding, you as the bidder (i) Agree that they will not, under any circumstances, initiate a chargeback, and (ii) Agree that they are waiving any chargeback rights that may exist under the agreement between bidder and bidder's credit card company. Should a chargeback be initiated, the auction terms and condition will be conclusive evidence of the bidder's waiver of any chargebacks.

Items will close in the order listed on the site, (unless affected by the Soft Close as explained below) and typically close at the rate of 6 items per minute (every 10 seconds). Our Auction was set up this way intentionally so that bidders can have time to evaluate their overall progress in a sale as individual items close. You may also click on "Live Catalog" to view, in real time format, the lots that have current activity.

ii) Extended Bidding Time: If an item receives a bid within the last 2 minutes, then the close time will be extended 2 minutes from the time the bid is placed.
