GUN AUCTION TERMS

Gary Realty & Auction is acting as agents for the sellers today

Terms of the Sale are cash or check day of sale. Credit cards can be accepted but there is a 4% charge over the purchase price to use a credit card.

There is no Buyers Premium or sales tax charged today.

All guns are being sold "AS IS" with no guarantees of any kind as to usability or condition and

All sales are FINAL.

All FFL rules & regulations apply

Out of state buyers must abide with the reciprocal laws for their state.

Guns will be sold in order as cataloged.

Alabama residents can take long guns with them today after completion of the background check. Revolvers & pistols MUST be shipped to an FFL dealer in Alabama for completion of the background check in Alabama. Southern Guns & Archery must have a copy of the FFL dealer that will handle the transaction BEFORE they can ship the guns to them. There will be a \$25 dollar **plus** shipping fee for EACH gun shipped.

You will be charged a ten dollar (\$10.00) background check fee at the gun shop when you go to complete your paperwork.

You will pay your background fee directly to Southern Guns & Archery

Once a gun is sold, it will be taken back inside the building. When you are ready to leave the auction, you first must pay the cashier where you registered for the auction. They will give you a receipt to take to the front of the gun store. There you will fill out the FFL forms and complete the background check. When you have been approved, the gun shop will stamp your receipt. Then return to the back building where your gun will be given to you to take home. Please be patient as no one has control over the computer process. If you would like, you can pay for your gun and come back to the gun shop during business hours next week and complete the background check then. Please let cashier know if you are going to complete background check next week.

If you do not pass the background check or the registration process, you forfeit the purchase price and all additional fees, and the seller will retain the gun(s).

Guns must be registered in the name of today's buyer - NO "STRAW" SALES.

If you do not want to abide by ANY or ALL of these rules, then DO NOT bid.

Enjoy the Auction!
