275+ Scale Model Airplanes

An unusual collection of handmade model planes from kits. These examples are the result of one man's dedication to detail and authenticity depiction. Many of the planes are from model kits no longer available. The planes show you the evolution of flight from Kitty Hawk to present day commercial aircraft. You will find examples from many of the air conflicts throughout history. Truly a must see offering. **1931 Mail Plane Crash items found on Nittany Mountain.**
