Approval of any plans and specifications for use in connection with any Lot or Structure shall not be deemed a waiver of the ACC's right, in its sole discretion, to disapprove similar plans and specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use in connection with other Lots or Structures. (c) Neither Developer, nor any member of the ACC shall be responsible or liable in any way for any defects in any plans or specifications approved by the ACC, for any structural defects in any work done according to such plans and specifications approved by the ACC. Further, approval of plans and specifications by the ACC shall not be deemed to represent or warrant to any Person the quality, function or operation of the Structure or of any construction, workmanship, engineering, materials or equipment. Neither Developer, nor any member of the ACC shall be liable in damages or in any other respect to anyone submitting plans or specifications for approval under this Article, or to any Owner, or to any other Person having an interest in any of the Property by reason of mistake in judgment, negligence, misfeasance or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. By submission of such plans and specifications to the ACC, every Owner of any Lot releases and agrees to hold harmless and to defend Developer, and any member of the ACC from any such alleged liability, claim and/or damage.

Section 7. Obligation to Act. The ACC shall take action on any plans and specifications submitted as herein provided within thirty (30) days after receipt thereof. Approval by the ACC, if granted, together with any conditions imposed by the ACC, shall be placed in writing on the plans and specifications and shall be returned to the applicant. Failure by the ACC to take action within thirty (30) days of the receipt of plans and specifications submitted for approval shall be deemed approval of such plans and specifications.

Section 8. Right of Inspection. The ACC, its agents and representatives, shall have the right during reasonable hours to enter upon and inspect any Lot and Structure thereon for the purpose of ascertaining whether the installation, construction, alteration or maintenance of any Structure or the use of any Lot or Structure is in compliance with the provisions of this Declaration; and the ACC shall not be deemed to have committed a trespass or other wrongful act solely by reason of such entry or inspection.

Section 9. Violations.

(a) If any Structure shall be erected, placed, maintained or altered upon any Lot, otherwise than in accordance with the plans and specifications approved by the ACC pursuant to the provisions of this Article, such erection, placement, maintenance or alteration shall be deemed to have been undertaken in violation of this Article and without the approval required herein. If in the opinion of the ACC such violation shall have occurred, the ACC shall be entitled and empowered to enjoin or remove any such construction. Any costs and expenses incurred by the ACC in enjoining and/or removing any construction or improvements shall be added to and become a part of the assessment to which the Owner and his Lot are subject.

(b) The ACC shall provide written notice to the Owner, delivered either in person or by certified mail, setting forth in reasonable detail the nature of the violation and the specific action or actions required to remedy the violation. If the Owner shall not have taken reasonable steps toward the required remedial action within twenty (20) days after the delivery of the aforesaid notice of violation, then the ACC shall have the right of abatement as provided in Section 1(b) of Article X hereof. In addition to the right of abatement, the Board, upon being informed of such violation by the ACC, shall be entitled to seek equitable relief to enjoin such construction.

Further, silt fences shall be installed as required to keep silt, mud, and other debris off of the street and adjoining lots.

Section 11. Government Regulations. Nothing contained herein abrogates, modifies, or changes the applicability of any ordinances, statutes, codes, rules and regulations of Fentress County, Tennessee or other governmental units as applicable and the necessity of obtaining a building permit, inspection or otherwise complying with applicable provisions of governmental codes, statutes, ordinances, rules and regulations.

ARTICLE III

Membership and Voting Rights

Section 1. Membership. Every Owner of a Lot shall be a mandatory member of the Association. The foregoing is not intended to include Persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to this Declaration and shall pass automatically to an Owner's successor-in-title to the Lot.

Section 2. Voting Rights. All Owners shall be entitled to one vote for each Lot owned. When more than one Person holds an interest in any Lot, all such Persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

Section 3. Initiation Fee. Every Person who purchases a Lot in ROCKHOUSE RANCH AT THE BIG SOUTH FORK shall pay to the Association an initiation fee of \$1,000.00 per Lot at the time of purchase of the Lot; provided, however, said initiation fee shall be due only from the Person who first purchases the Lot for use as a residence. The \$1,000.00 initiation fee is a permanent amount and cannot be raised or lowered, notwithstanding anything to the contrary contained herein.

ARTICLE IV

Property Rights

Section 1. Member's Easement of Enjoyment. Subject to the provisions herein, every member of the Association shall have a right and easement of use and enjoyment in and to the Common Area subject to the following:

- (a) the right of the Association to adopt and publish rules and regulations governing the use of the Common Area.
- (b) the right of the Association to suspend an Owner's voting rights and rights to use any recreational facilities within the Common Area for any period during which any assessment of the Association against said Owner's Lot remains unpaid.
- (c) the right of the Association to borrow money for the purpose of improving the Common Area or any portion thereof, or constructing, repairing or improving any facilities located or to be located thereon and, upon the assent of two-thirds (2/3) of the votes of the members of the

Association, to give as security a mortgage conveying all or any portion of the Common Area. The lien and encumbrance of any such mortgage, however, shall be subject and subordinate to all rights, interests, easements and privileges herein reserved or established for the benefit of Developer, any Owner, or the holder of any mortgage, irrespective of when executed, given by Developer or any Owner.

(d) the right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the members. No such dedication or transfer shall be effective unless an instrument signed by two-thirds (2/3) of the votes of the members of the Association, agreeing to such dedication or transfer, has been recorded.

(e) the easements reserved in Article VII of this Declaration.

Section 2. Delegation of Use. Any Owner may delegate, in accordance with this Declaration, his right of use and enjoyment in and to the Common Area and the improvements thereon, if any, to the members of his family, his tenants, guests and invitees, subject to such regulation as may be established from time to time by the Association.

Section 3. Title to Common Area. Developer may from time to time convey to the Association, at no expense to the Association, real and personal property for the common use and enjoyment of the Owners. Developer may also from time to time convey ownership of the Common Area along and about Rockhouse Pass, Bearpen Fork, Charit Trail, Highland Way, Crooked Branch Circle, Laurel Trace, Rome Crest, and trail easements to the Association, or may convey an undivided interest in or an easement upon the Common Area along and about Rockhouse Pass, Bearpen Fork, Charit Trail, Highland Way, Crooked Branch Circle, Laurel Trace, Rome Crest, and trail easements to the Association, to other owners of real property who gain access to State Highway 297 via Rockhouse Pass or to future homeowners associations of future developments whose members gain access to State Highway 297 via Rockhouse Pass. The Association hereby covenants and agrees to accept from Developer all such conveyances of real and personal property.

Notwithstanding any legal presumption to the contrary, the fee simple title to such real and personal property designated as Common Area or for public use, together with all rights therein, shall be reserved to Developer until such time as such real and/or personal property is conveyed to the Association or to any municipality or other governmental body, agency or authority.

Section 4. No Partition. There shall be no judicial partition of the Property or any part thereof, nor shall any Person acquiring any interest in the Property or any part thereof seek any such judicial partition.

Section 5. Roads. In the event that certain Lots, as determined by Developer, fronting on Bearpen Fork or Highland Way or Crooked Branch Circle or Laurel Trace or Rome Crest are owned by the same Owner(s), then such Owner(s) shall have the option to close the respective road(s) on which they front and obtain fee simple interest in said road(s) from the Association or the Developer, and all rights and obligations of the Association or the Developer shall be terminated with respect to such road(s).

ARTICLE V

Covenant for Maintenance and Capital

Improvement Assessments

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of a Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments which may or shall be levied by the Association, and (2) special assessments, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest thereon and costs of collection thereof, as hereinafter provided, including reasonable attorney's fees, shall be a charge and continuing lien running with the land upon the Lot against which each such assessment is made. Each such assessment, together with interest thereon and costs of collection thereof, including reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors-in-title unless expressly assumed by them.

Section 2. Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in ROCKHOUSE RANCH AT THE BIG SOUTH FORK; to pay Common Expenses, including, but not limited to, the cost of the improvement and maintenance of the Common Area including management fees to others to make such repairs as the Association may deem necessary; to pay ad valorem taxes and other charges for services provided by the Association assessed against the Association Property; to pay insurance premiums; to pay for electricity and water for exterior lighting and irrigation in the Common Area; to pay for the installation of water, electricity and other utilities along and within the joint permanent access easements, and for such other purposes as the Board may determine. In addition, the Assessments shall include amounts necessary to establish an adequate reserve fund for routine and normal

preventative maintenance, repairs and replacement of those portions of the Common Area that must be replaced on a periodic basis. Such reserve fund shall be included in the annual Assessment and shall be payable in periodic installments rather than by special assessment.

Section 3. Determination of Annual Assessments. If the Association incurs ongoing Common Expenses, it shall be the duty of the Board at least thirty (30) days prior to the Association's annual meeting to prepare a budget covering the estimated Common Expenses of operating the Association for the coming year, such budget shall include a capital contribution or reserve account in accordance with the capital needs of the Association. The budget and the proposed annual assessments to be levied against each Lot shall be delivered to each Owner no later than ten (10) days prior to such annual meeting. The budget and the annual assessments shall become effective unless disapproved at the annual meeting by either (i) Developer; or (ii) a majority of the votes cast in person or by proxy at such meeting. In the event the proposed budget is not approved or the Board fails for any reason to determine the budget for the succeeding year, then until a budget has been determined as provided herein, the budget and annual assessments in effect for the then current year shall continue for the succeeding year. If any budget at any time proves inadequate for any reason, the Board may call a meeting of the Association for the approval of a special assessment. For the purpose of allocating the annual assessments, these expenses shall be shared on a per lot basis by any other owners of real property who gain access to State Highway 297 via Rockhouse Pass or with future homeowners associations of future developments whose members gain access to State Highway 297 via Rockhouse Pass, provided, however, any such lots owned by Developer shall be exempt from annual assessments.

Section 4. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, special assessments on each Lot applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including the installation of utilities, fixtures and personal property related thereto, provided that any such assessment shall have the assent of at least a simple majority of the votes of the members of the Association, voting in person or by proxy at a meeting duly called for such purpose. Special assessments may also be levied by the Association if for any reason the annual assessments prove inadequate to defray the expenses of the Association in fulfilling its duties and obligations hereunder, subject to the consent of the members as set forth above.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 above shall be sent to all members not less than ten (10) days nor more than thirty (30) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast fifty percent (50%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 6. Rate of Assessments. Annual and special assessments must be fixed at a uniform rate for all Lots. Annual assessments will be collected on a semi-annual basis. Provided however, Lots owned by ASETZ or Developer shall not be subject to annual or special assessments.

Section 7. Fiscal Year, Membership and Annual Assessments. The fiscal year for the ROCKHOUSE RANCH HOMEOWNERS ASSOCIATION shall begin on January 1 and end on December 31. The Associations first fiscal year shall begin on January 1, 2001. A pro-rated portion of the semi-annual payments shall be due and membership shall begin on the day that ownership in ROCKHOUSE RANCH AT THE BIG SOUTH FORK begins. Notwithstanding any provisions herein, Developer may determine the commencement of and amount of the annual assessments and special assessments as long as it is an Owner. Upon a person or entity's ceasing to be a Member of the Association, such Member shall not be entitled to any refund of his annual assessment.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the maximum legal rate per annum. In such case, the Association may accelerate, at its option, the entire unpaid balance of the assessment and may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against such Owner's Lot, and interest, costs and reasonable attorney's fees or any such action shall be added to the amount of such assessment. Each such Owner, by his acceptance of a deed to a Lot, hereby expressly vests in the Association, or its agents, the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of the liens against real property, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage foreclosure on real property, and such Owner hereby expressly grants to the Association a power of sale in connection with the foreclosure of said lien. The lien provided for in this Section shall be in favor of the Association and shall be for the benefit of all other Owners. The Association, acting on behalf of the Owners, shall have the power to bid for the interest foreclosed at foreclosure sale and to acquire and hold, lease, mortgage and convey the same. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area, abandonment of his Lot or by renunciation of membership in the Association. An Owner may give to the Association, nevertheless, subject to acceptance thereof by the Association, a deed in lieu of foreclosure.

Section 9. Subordination of the Lien to First Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage, first purchase money security deed, or security deed representing a first lien on said property. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to foreclosure of a first mortgage or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charges and liens created herein: (a) all properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; (b) all Common Area; (c) all properties exempted from taxation by state or local governments upon the terms and to the extent of such legal exemption. Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said assessments, charges or liens.

ARTICLE VI **Maintenance**

Section 1. Association's Responsibility. Except as otherwise provided for herein, the Association shall maintain and keep in good repair all portions of the Common Area and improvements thereon, if any. The Association's responsibility with respect to the Common Area shall be deemed to include the maintenance, repair and replacement of (i) all roads, signs, trails, lights, driveways, walks, parking areas and buildings and other improvements, if any, situated within the Common Area; (ii) such utility lines, pipes, plumbing, wires, conduits and systems which are a part of the Common Area; and (iii) all lawns, trees, shrubs, hedges, grass and other landscaping situated within or upon the Common Area. With respect to the portion of the Common Area along and about Rockhouse Pass, these responsibilities shall be shared with all owners of real property who gain access to State Highway 297 via Rockhouse Pass as set forth in Article V Section 3.

Section 2. Owner's Responsibilities. Each Owner of a Lot, whether vacant or occupied, shall keep and maintain his Lot and the exterior of any and all improvements located thereon in a neat, attractive and safe condition. Such maintenance shall include, but shall not be limited to, painting, repairing, replacing and care for roofs, gutters, down spouts, building surfaces, trees, shrubs, grass, walks and other exterior improvements. Should any Owner of a Lot fail to maintain such Lot or improvements thereon as set forth hereinabove, the ACC, its agents and representatives, may, after thirty (30) days written notice to the Owner of such Lot, enter upon the Lot for the purpose of removing garbage or trash, or for performing such exterior maintenance as the ACC, in the exercise of its sole discretion, deems necessary or advisable. Such Owner shall be personally liable to the ACC and the Association for the direct and indirect cost of such maintenance, which costs shall be added to and become a part of the assessment to which such Owner and his Lot are subject. Although notice given herein provided shall be sufficient to give the ACC, its agents and representatives, the right to enter upon such Lot and perform such maintenance, entry for such purpose shall be only between the hours of 9:00 a.m. and 5:00 p.m. on any day except Sunday. The provisions hereof shall not be construed, however, as an obligation on the part of the ACC to provide garbage or trash removal service, or to perform such exterior maintenance.

ARTICLE VII **Easements**

Section 1. Utility Easements. There is hereby created in favor of the Association and any governmental unit, utility, or service provider an easement upon, across, over, through and under all of the Property for ingress, egress, installation, replacement, repair and maintenance of all utility and service lines and systems, including but not limited to, water, sewers, gas, telephones, electricity, television, cable or communication lines and systems (hereinafter sometimes referred to as "Utilities"). All Utilities shall be constructed underground. An easement is further granted to the Association, its officers, agents, employees and any management company retained by the Association, to enter in or to cross over the Common Area and the Lots, to inspect and to perform the duties of maintenance and repair of the Common Area and the Lots, as provided for herein. Notwithstanding anything to the contrary contained in this Section, no sewers, electrical lines, water lines, or other utilities may be installed or relocated on the Property except as initially programmed and approved by the Developer or thereafter approved by Developer or the Board or as otherwise provided by law. Should any utility furnishing a service covered by this general easement herein request a specific easement to be recorded in a separate document, Developer or the Association shall have the right to grant such easement on the Common Area.

Section 2. Easements for Developer. Developer hereby reserves for itself, its successors and assigns, the following easements and rights-of-way in, on, over, under and through any part of the Property, the Common Area, and any other easements of ASETZ :

- (a) For the erection, installation, construction and maintenance of wires, lines and conduits, and necessary or proper attachments in connection with the transmission of electricity, gas, water, telephone, community antenna, television cables and other utilities;
- (b) For the construction and maintenance of improvements on the Lots including but not limited to trails;
- (c) For the installation, construction and maintenance of storm-water drains, public and private sewers, and for any other public or quasi-public utility facility;
- (d) For the use of the Common Area and any sales offices, model units and parking spaces in connection with its efforts to market Lots; and

(e) For the construction or maintenance of such other facilities and equipment as in the sole discretion of Developer may be reasonably required, convenient or incidental to the completion, improvement and sale of Lots.

Section 3. Easements for Association. There shall be a general right and easement for the benefit of the Association, its directors, officers, agents and employees, including any management company retained by the Association, to enter upon the Common Area, Lots, trails and trail easements to perform their respective duties, including but not limited to any repair, maintenance, installation, or replacement of any lighting fixtures, lighting structures, guard rails, drainage structures, trails, landscaping or other amenity, infrastructure, or safety features that may be installed by the Developer or by the Association either within the Common Area or upon any Lot.

Section 4. Easements for Owners.
