

SELLERS PROPERTY DISCLOSURE STATEMENT

2 Laurel Drive, Willow Street, Pennsylvania 17584

A seller must disclose to a buyer all known material defects about property being sold that are not readily observable. This disclosure statement is designed to assist the seller in complying with disclosure requirements and to assist the buyer in evaluating the property being considered.

This statement discloses the seller's knowledge of the condition of the property as of the date signed by the seller and is not a substitute for any inspections or warranties that the buyer may wish to obtain. This statement is not a warranty of any kind by the seller or a warranty or representation by any listing real estate broker, any selling real estate broker or their agents. The buyer is encouraged to address concerns about the conditions of the property that may not be included in this statement. This statement does not relieve the seller of the obligation to disclose a material defect that may not be addressed on this form.

A material defect is a problem with the property or any portion of it that would have a significant adverse impact on the value of the residential real property or that involves an unreasonable risk to people on the land. The fact that a structural element, system or subsystem is near, at or beyond the end of its normal useful life is not by itself a material defect.

By execution of the Purchaser's Agreement, the Purchaser acknowledges that he has had a full and complete opportunity to inspect the Premises. *The Premises is being sold unto Purchaser "AS IS", with no representation, guarantee or warranty regarding the condition of the Premises or any improvement or structure erected on the Premises, including, but not limited to, its structural integrity, roof, appliances, electrical system, heating system, plumbing, water system, sewage disposal system, or any portion thereof.* No representation is made or warranty given regarding the presence or absence of any hazardous or toxic substances, materials or wastes, or that the Premises is in compliance with any federal, state or local environmental laws or regulations.

Seller reserves the right to refuse to permit any such repair, improvement, inspection, or testing or to impose such conditions upon any permitted repair, improvement, inspection, or testing as Seller deems appropriate, including, but not limited to, insurance coverage and indemnification and hold harmless agreements. The Purchaser's Agreement shall not be conditioned upon any such repair, improvement, inspection, or testing, or upon any specific results obtained from such inspection or testing.

11. **REAL ESTATE SELLER DISCLOSURE ACT**: The Real Estate Seller Disclosure Law, 68 Pa. C. S. A Sections 7301-7315, exempts the personal representative of a decedent's estate and the trustee of a decedent's trust from the requirement that a seller of residential real estate complete a seller's property disclosure statement.

12. **RADON DISCLOSURE**: Radon is a radioactive gas produced naturally in the ground by the normal decay of uranium and radium. Uranium and radium are widely distributed in trace amounts in the earth's crust. Descendants of Radon gas are called Radon daughters, or Radon progeny. Several Radon daughters emit alpha radiation, which has high energy but short range. Studies indicate the result of extended exposure to high levels of Radon gas/Radon daughters is an increased risk of lung cancer. Radon gas originates in soil and rocks. It diffuses, as does any gas, and flows along the path of least resistance to the surface of the ground, and then to the atmosphere. Being a gas, Radon can also move into any air space, such as basements, crawl spaces and permeate throughout the home. If a house has a Radon problem, it can usually be cured by increased ventilation and/or preventing Radon entry. The Environmental Protection Agency advises corrective action if the annual average exposure to Radon daughters exceeds 0.02 working levels. Further information can be secured from the Department of Environmental Resources Radon Project Office, Call 1-800-23RADON or (215) 369-3590. Purchaser acknowledges that Purchaser has the right to have the buildings inspected to determine if Radon gas and/or daughters are present. Purchaser waives this right and agrees to accept the Premises AS IS, with no certification from Seller. Purchaser releases, quit-claims, and forever discharges Seller, their heirs and assigns, from any and all claims, losses, or demands, including personal injuries, and all of the consequences thereof, whether now known or not, which may arise from the presence of Radon in any building on the Premises. Seller has no knowledge concerning the presence or absence of Radon.

13. **ZONING**: The parties acknowledge that no representation whatsoever is made concerning zoning of the Premises, or the uses of the Premises that may be permitted under local ordinances, and that Purchaser has satisfied himself that the zoning of the Premises is satisfactory for his contemplated use thereof. The Purchaser hereby waives any applicable requirement for Seller to provide a certification of zoning classification prior to settlement pursuant to Disclosure Act of July 27, 1955, P.L. 288, §3, as amended and reenacted (21 P.S. §613). If Purchaser's intended use requires any federal, state, or local permits or inspections, including, but not limited to, use or occupancy permits, Purchaser is responsible for obtaining such permits or inspections at Purchaser's expense.

14. **INCLUSIONS WITH PREMISES**: Included in this sale are all buildings, improvements, rights, privileges, and appurtenances to the Premises, including if any, but not limited to:

- (a) Any water softening system;

The Purchaser should inquire after the Premises is struck off concerning the amount of such insurance.

17. **USE AND OCCUPANCY.** Purchaser is responsible to obtain and pay for the costs of any desired or required use and occupancy permit and any inspections or certifications required by a governing authority to occupy or settle on the Premises.

18. **PURCHASERS' DEFAULT:** In case of noncompliance by the Purchaser with any term of these Conditions, the Seller has the option, in addition to all other remedies provided by law or at equity, to exercise any one or more of the following remedies:

- (a) To retain the Purchaser's down money as liquidated damages, regardless of whether or not, or on what terms, the Premises is retained or resold; or
- (b) To resell the Premises, at public or private sale, with or without notice to the Purchaser, and hold the Purchaser liable for the actual loss resulting from such resale, including attorneys' fees and costs incurred by Seller as a result of Purchaser's default. Seller may retain the down money paid hereunder as security for payment of such loss.

19. **SUMMARY OF CONDITIONS:** The Purchaser acknowledged that these Conditions of Sale were available for inspection by the Purchaser prior to the commencement of bidding and sale of the Premises, that the Purchaser had an opportunity to review the full Conditions of Sale, and that the Purchaser understands the contents thereof and all terms and conditions under which the Premises is being sold, agreeing to be bound by the full terms and conditions as set forth therein. The Purchaser acknowledges that only a summary of the Conditions of Sale was read prior to commencement of bidding on the Premises, and that the Purchaser is not relying upon the public reading of the Conditions of Sale as a complete statement of the terms and conditions for sale of the Premises.

21. **CONSTRUCTION:** All references to the highest bidder, Buyer or Purchaser contained herein shall be deemed to refer to all Purchasers, jointly and severally, whether referred to in the singular or plural, or masculine or female, form.
22. **ASSIGNMENT:** Purchaser may not assign these Conditions of Sale, in whole or in part, without first obtaining the written approval of Seller.
23. **INTENT:** This Agreement represents the whole Agreement between the parties, and any representations concerning the Premises, or otherwise, made prior to the execution of the Purchaser's Agreement, are hereby superseded by this Agreement.
24. **AMENDMENT:** No modification of these Conditions of Sale shall be valid unless made in writing, executed with the same degree of formality as these Conditions of Sale and the Purchaser's Agreement attached hereto.
25. **EFFECT OF WAIVER OR CONSENT:** A consent or waiver by Seller, express or implied, to or of any breach or default by Purchaser in the performance of these Conditions of Sale is not a consent or waiver to or of any other breach or default. Failure on the part of Seller to complain of any act of Purchaser or to declare Purchaser in default of these Conditions of Sale, irrespective of how long that failure continues, does not constitute a waiver by Seller of Seller's rights with respect to that default until the applicable statute-of-limitations period has run.
26. **SEVERABILITY:** If any provision of these Conditions of Sale or the application thereof to any person, entity or circumstance is held invalid or unenforceable to any extent, the remainder of these Conditions of Sale and the application of that provision to other persons, entities or circumstances are not affected thereby. In such event, the invalid or unenforceable provision will be enforced to the greatest extent permitted by law.
27. **EXECUTION IN COUNTERPART OR BY FACSIMILE OR ELECTRONICALLY.**
This Agreement may be executed by facsimile or electronically and/or in counterparts, each of which shall be deemed an original Agreement and when combined shall constitute one Agreement.

IN WITNESS WHEREOF, the Seller has executed these Conditions of Sale, intending to be legally bound hereby, on the day and year first above written.
