Freeland Auction Services has been entrusted to bring to market the Norman "Norm" Mulvey iconic telephone collection. Norm worked for the Southern New England Telephone company retiring in 1995 and was a devoted member of the Antique Telephone Collectors Association. His telephone collection was featured in the 1992 book titled "Telephones: Antique to Modern" and contains several hundred items. This will be the first of several absolute online auctions for the Mulvey Telephone Collection.

Mr. Mulvey was a collector's collector, specializing in all sorts of antique telephones with a concentration on Western Electric rare telephones; unique National Bell items; scarce Charles Williams phones; and museum quality "Coffin" telephones from the late 1870s. He had amassed a wonderful collection that we will be bringing to you on Proxibid.com with several featured absolute online auctions. He consistently restored his phones perfectly, sometimes searching for years for the correct part to complete a phone.

This collection has some of the most sought after items that he personally picked thru the years and enjoyed the ownership of for a long time. Now is your chance to own these rare pieces and add them to your collection. Every item described to a 'T' with dozens of photos so there will be no doubt that you will have value in the years to come. You now have the opportunity to add one or more of his rare vanities, candlesticks, 6 foot tandems, unique telephone attachments, desk telephones, coin collectors, or coffins to your collection.

Have a field day and revel in some of the most treasured items in the telephony field brought to you by Freeland Auction Services, a "Premier Auction House" connecting collectors with collections! Good Luck in your bidding, check back often, and feel confident that you will have a great piece of history. So, please bid confidently, and enjoy this liquidation of a wonderful ATCA member's collection. Shipping is available, as well as local pickup in Freeland, MI. Have fun and please contact Barry with Freeland Auction Services if you have any questions!
