Representation

1. All items are sold "AS IS, WHERE IS". There are no warranties or representations of merchantability, of fitness, nor of any other kind, express or implied. All items are available for your examination prior to bidding. Written and oral descriptions are our opinions and should in no way be construed as a guarantee of any kind as to authenticity, age, condition, materials or any other feature of items being sold. Apple Tree Auction attempts to catalog every lot correctly and will attempt to point out any defects but will not be responsible or liable for the correctness of the catalog or other descriptions of the lot. Jewelry and precious metals are not automatically tested. This includes items that are stamped and hallmarked. Some items have been scanned in the Niton DXL. The readings have been noted, but this IS NOT A GUARANTEE. Personal inspection is always the best way for an individual to make the most informed bidding decisions. Precious stones are not tested or removed from mountings to determine carat. Appraisals are attached for some items. THIS IS ALSO IN NO WAY A GUARANTEE. An appraisal is based on one professional's opinion. WE SPECIFICALLY DISCLAIM ANY AND ALL EXPRESSED AND OR IMPLIED WARRANTIES OF MERCHANTABILITY WITH REGARD TO ANY SALE MADE THROUGH APPLE TREE AUCTION CENTER. We recommend prospective bidders examine all items in which they have an interest or contact us prior to bidding for a condition report or to express concerns with the description. By placing a bid, either in person, by phone, absentee or via the Internet, you signify that you have examined the items as fully as you desire to or that you have chosen not to examine them. If you require absolute certainty in all areas of authenticity, and the results of your evaluation leave uncertainty in your mind, we recommend you have an expert examine the lot for you or do not bid on the item in question. We do not give refunds or price adjustments. All sales are final!

Terms & Conditions/Payment

1. There will be a buyer's premium of 23% for Internet bidders added to the hammer price of each lot and it will be considered part of the total purchase price.
2. All in house/AppleTreeAuction.com purchases are subject to an 18% buyers premium discounted to 13% for cash, check, wire transfer, and ACH.
3. All items purchased in person must be paid for within 24 hours of the day of the auction. All items purchased through absentee and phone bidding will be paid for in the manner described on the Absentee Bid Form. For items purchased through online platforms, it is the buyer's responsibility to contact Apple Tree Auction Center via telephone 740-344-4282 or email at info@appletreeauction.com to arrange payment. Apple Tree Auction will email an invoice to you within 3 days from the date of the sale. Failure to make payment arrangements within 7 days following the auction will result in a NPB being placed on your account.

4. Acceptable forms of payment – Invoices less than \$10,000 may be paid through wire transfer, ACH, cash, personal or company check with proper ID at the discretion of the auction house, Visa, MasterCard, or Discover. Merchandise will not be released until payment clears. Invoices over \$10,000 require wire transfer or ACH.

Apple Tree Auction must have a blanket exemption certificate with permit number and signature on any tax exempt sale except for out of state internet bidders.
6. If we are prevented by fire, theft, or any other reason whatsoever from delivering any property to the purchaser, our liability shall be limited to the sum actually paid, by the purchaser for such property.
7. If any applicable conditions herein are not complied with by the purchaser, Apple Tree Auction at its option may either (a) cancel the sale, retaining as liquidated damages all payments made by the purchaser or (b) resell the property at public auction without reserve or minimum selling price, and the purchaser will be liable for any deficiency and costs, including handling charges, expenses of both sales, the commission on both sales at regular rates, all other charges due hereunder and incidental damages.
8. Apple Tree Auction reserves the right to withdraw any lot at any time before the auction without liability.

Bidding In person, absentee, online, telephone

1. The successful bidder is the highest bidder acknowledged by the auctioneer. In the event of any dispute between bidders, or in the event of doubt on Apple Tree Auction's part as to the validity of any bid, the auctioneer will have the final discretion either to determine the successful bidder or to re-offer and resell the article in dispute. Occasionally a clerical/human error is made, and we are unable to remedy. If any dispute arises after the sale, Apple Tree Auction's sale record is conclusive.
2. As a convenience to customers, absentee bids and phone bids will be executed by Apple Tree Auction personnel in a fair, competitive and confidential manner. Phone bid arrangements must be made 24 hours prior to start of the auction. Apple Tree Auction will not be responsible for failure to execute absentee or phone bids. Phone bids have a minimum opening of \$5,000.
3. No international bidding. Pre-approval is required for all bid limits over \$1,000. We recommend you begin this process before the auction. Bank letters and other forms of proof may be requested. Bidding approval and bid limit increases may not be possible on the day of the auction. Please allow 24 hours.
4. The purchaser assumes full responsibility for items at the fall of the hammer. Any property remaining on Apple Tree Auction Center's premises more than five (5) days after purchase will be subject to a five dollar (\$5.00) fee per day, per item. Buyer's property remaining on the premises more than seven (7) days after the auction will be considered abandoned and will then become the property of the Auctioneer. Apple Tree Auction Center reserves the right to dispose of, sell, or otherwise distribute these goods without notification or dispute to/from the Buyer.

5. U.S. Coins and currency require a minimum bid of 20% over face value.
6. The auctioneer reserves the right to reject any bid not commensurate with the value of the property offered.

Shipping

1. Most jewelry and coin items can be handled through in house shipping. However, because of quantity of items, delays are possible. Orders are shipped in the order of payment processing. Shipping address must match registration address. Shipping of small unbreakable items will be handled in house. For fragile items, such as glass, china, pottery & figurines, we recommend the local UPS Store. They can be reached at (614) 939-5195 or store3910@theupsstore.com. Any item that cannot be sent through USPS or similar carrier must be sent by common carrier or specialty delivery services. You may contact these shippers for quotes on larger items. We will also provide the buyer with a list of alternative local shippers that have been used in the past if you would prefer. It is the buyer's responsibility to pay all fees associated with shipping and packing. Estimates for in house shipping: \$24.99 for material and labor for 12 x 12 x 12 interior carton. Actual shipping cost and insurance are not included in \$24.99 handling cost. Contact info@appletreeauction.com for additional shipping information. Any property remaining on Apple Tree Auction Center's premises more than five (5) days after purchase will be subject to a five-dollar (\$5.00) fee per day, per item. Buyer's property remaining on the premises more than seven (7) days after the auction will be considered abandoned and will then become the property of the Auctioneer. Apple Tree Auction Center reserves the right to dispose of, sell, or otherwise distribute these goods without notification or dispute to/from the Buyer.
