

1. Ohio Tool Co. – self-regulating **center wheel plow plane** No.111 in Rosewood w/6 ivory tips and set of 8 blades
2. The Sandusky Tool Co. – **Ellis H. Morris scissor arm plow plane**
3. Knowles type 22” patented jointer plane with orig. surface (chip off top of the tote)
4. Knowles type 24” patented jointer plane
5. Ohio Tool Co. – crown molding plane with 6 1/4” blade
6. Laminated horn handled scraper with inlaid initials A. H. W.
7. Unusual 24” “plumb bob” inclinometer level – patented - mahogany w/iron strips
8. Goosewing Broad Axe w/a stamp showing a timber framer hewing a log
9. Reversible 2-size bending swedge w/rams, horns, nuts
10. L. S. Starrett & Co. - pipe fitters adj. angle level
11. Stanley No. 1 bench plane
12. Lumber marking & gauging stick
13. Coach makers circular plow plane
14. Ohio Tool Co. – Ellis H. Morris 21 1/2” waffle/diamond metallic bench plane
15. The Sandusky Tool Co. – Ellis H. Morris 15 1/2” diamond metallic jack plane
16. Auburn Tool Co. – Morris patented 11 3/8” waffle bottom plane
17. Ohio Tool Co. – Morris patented 9 1/2” waffle bottom plane
18. J. R. Haiser & Co. - Haiser grade measure
19. Bradford Union inclinometer
20. The Sandusky Tool Co. – self-regulating center wheel plow plane #141 in Boxwood w/6 ivory tips and set of 8 blades
21. American open pit saw – 99” length
22. 2 man 50” pit or veneer saw
23. Large 4 1/2 “ spiral wood auger
24. Stanley Tools – “55” plane w/orig. box complete with 4 sets of cutters
25. Double bit mortise axe
26. Lignum vitae wood 23” bench plane w/ fancy brass ends plates & fancy handle
27. Signed & dated i o 1839 Applewood fancy carved coopers adj. croze plane
28. Coopers long jointers plane w/stand – 64” length
29. Early 1800’s wooden primitive counter for counting bushels of grain at grist mill
30. The Sandusky Tool Co. – self regulation center wheel plow plane in Rosewood w/6 ivory tips & set of 8 blades
31. Ellis H. Morris patented panel plow, match, bending and filletster w/scissor guide
32. The Sandusky Tool Co. – E. H. Morris patented 21” diamond metallic jointer plane
33. The Sandusky Tool Co. - E. H. Morris patented 9 1/2” diamond metallic smooth plane
34. Stanley 6” No. 1 plane
35. Ellis H. Morris – “Boss” 10” waffle bottom plane
36. S.H. Bibighaus #311 -crown molding plane w/ 4 1/4” blade
37. 5 rib finger mortar plane
38. Stanley No. 41 type 4 combination plow, filletster & match plane w/extra fence
39. The Hartford Plane Co. – Theodore Duval patented adj. dado plane
40. American Ax-New Orleans boat ax w/logo
41. W.E. Levoy & Americus -brass decorated rosewood plow plane w/ivory tipped boxwood arms & nuts
42. Bull nose plane w/rosewood plane 3”
43. Miniature Fruitwood music maker plane – signed S. Andrew
44. Stanley No.101 1/2 toy block plane

45. English shoulder plane
46. Pair of Stanley trammel points
47. Ellis H. Morris patented- 10 5/8" waffle bottom plane
48. Ohio Tool Co. - #02 metal plane – 8"
49. Israel White Philadelphia, PA – molding plane w/lignum vitum bottom
50. Stanley No. 42 type 3A – “gunmetal bronze alloy” comb. plow, filletster & match plane
51. “Zoar” plane made at the foundry of the Germanic Commune of Zoar, Tuscarawas Co., Ohio
“The Society of Separatists of Zoar”
52. Ohio Tool Co. – Ivory tipped, handled Rosewood #105 cabinet makers panel plow plane
53. Saw sharpening and setting vise
54. W.E. Witherby - 4" slick w/org. handle
55. Timbers framers broad ax -signed Jul Kappelera
56. Lg. wheel wrights hub reamer w/hook for weight
57. Stanley 30" presentation level – 1896
58. Cooper sun plane – signed E.W. Carpenter
59. A.R. Robertson - bill poster hammer 36"
60. Walking stick – lumber man board foot measure
61. Stanley No. 48 ½ - walking stick board foot lumber measure
62. Stanley Bailey No. 8C – 24" jointer plane new in box
63. Casey Kitchels Co. Auburn N.Y. – ivory tipped Rosewood plow plane
64. Axe – exceptionally early
65. Lippincott & Co. – Hubbards full concave axe w/logo
66. Bingham's best brand logo axe
67. Timber framers goosewing broad axe – attributed to Eastern PA- signed JA Seager
68. J. Early – timber framers broad axe
69. “Oil Well Chief” logo – timber framers broad axe – Pittsburg PA
70. L.N. & W.H. Watts – “Kent” type felling axe
71. 18th Cen. PA goosewing broad axe – signed by Maher w/decorative chamfered scroll
72. Goosewing broad axe – PA German org. – used in hewing barn beams
73. Small hand hatchet
74. Double mortise hatchet or grindstone sharpening hatchet
75. E.G. Atkins & Co. – 30" wood saw w/ decorative handle
76. E.G. Atkins & Co. – 30" wood saw w/ decorative handle
77. E.G. Atkins & Co. – 23" wood saw w/ decorative handle
78. Not-Nac Tool Co. – Warranted Superior saw -29"
79. Combination square & saw – 29 ½"
80. Combination square & saw – 29 ½"
81. H. Disston & Sons – Philad – 30 ½"
82. Combination square & saw – 30 ½"
83. “Brass” backed dovetail saw – signed Buck Tot Coshocton OH
84. “Brass” backed dovetail saw – from Medina Co. OH
85. Kelly Axe & Tool Works - Kelly Vandium small axe
86. Daniel Simmon Berne NY – timber framers broad axe with eagle stamp
87. American made – goosewing broad axe used by PA Germans
88. Mortise axe – signed G. Sener Lancaster PA
89. 17th or 18th Cen. –goosewing broad axe
90. Timber framers broad axe for squaring logs
91. American Beauty Rose logo – hatchet

92. Beatty & Son Chester Co. PA – No. 12 meat cleaver w/ cow stamp
93. Miniature axe
94. Ohio Tool Co. – No. 103 ivory tipped Rosewood cabinet makers plow plane
95. Boxwood cabinet makers plow plane w/Rosewood wedge – signed Lamb & Brownell New Bedford Mass. – owner stamped J.D. Irvin
96. E.W. Carpenter Lancaster PA – Boxwood & Rosewood panel plow plane w/ 7 blades
97. Handles Boxwood panel plow plane
98. Ohio Tool Co. – Rosewood No. 104 cabinet makers plow plane w/7 blades
99. Ohio Tool Co. – Boxwood No. 104 cabinet makers plow plane w/improved handle
100. The Sandusky Tool Co. – Boxwood No. 132 panel plow plane
101. Edward Helb Railroad PA – American combined level & grade finder
102. Tower & Lyon NY – surveyors sighting level w/ pop-up sight
103. Fancy carved hand router w/ brass sole
104. Clock makers bow drill w/ burl knob
105. Letter set w/fine detail in org. walnut box
106. Leather splitter
107. “Busby” patent brace – adj. crank handle & extendable bit shaft
108. Harness makers leather rounder
109. Stanley No. 86 1/2 ivory & German silver architects rule
110. Unsigned Stanley ivory 12” foldable ruler
111. Edwin Merrill Chapin Hartford Conn. – ivory & German silver 4-fold 2-foot folding rule
112. E.A. Stearns & Co. – No. 53 ivory & German silver caliper rule
113. Hat makers rule
114. E.A. Stearns & Co. – No. 53B ivory & German silver caliper rule
115. Stanley (special) 2-fold 2’ rule w/slide –fully brass bound
116. E. Smith, Rockford IL. – combination inside/outside rule, square & bevel square
117. Brass folding tank measure
118. Leonard Davis Level & Tool Co. – No. 12 bench level 6”
119. Leonard Davis Level & Tool Co. – No. 11 level four square
120. Chariot plane – 3 1/2 “
121. Fulton special double bit axe w/embossed logo
122. E.C. Simmons Co. – Keen Kutter No. 50 double bit logo axe
123. Smith Bros. HDW Co. Columbus OH – cut easy axe
124. American Fork & Hoe Co. – “Black Raven” embossed logo axe
125. Townley Metal & HDW Co. Kansas City Missouri – logo “Quality Uncelled”
126. Kelly Works – Flint Edge logo axe
127. Oilwell Supply Co. Pitts. PA – “Oilwell Chief” embossed/logo axe
128. Kelly Axe & Tool Works – “Black Raven” embossed logo axe
129. “Plumb” Champion Axe w/embossed logo of a woodchopper
130. Hubbard, Spencer Bartlett & Co. – w/exaggerated colts foot handle

240. Stone mason’s bush hammer
241. Trow & Holder – Stone cutters facing hammer – signed Tinsley
242. T.H. signed Witherby – 3” slick
243. Ohio Tool Co. – 2” chisel
244. Slick – 3”
245. W. & H. Hutchinson Sheffield – medical or surgeon’s saw
246. Whetstone & holder – Pat. 1870
247. Solid brass meat saw
248. “Twivel” early Germanic PA mortising tool
249. Unusual side claw hammer
250. Adj. Tim Smith’s single bead swedge – 3 sizes - signed Wilcox
251. Tin Smith’s single bead swedge
252. Coopers long jointer w/stand 62” – w/PA Dutch Hex sign
253. M.F. Co. – Millers Falls Mass. – auger w/4 extra bits
254. “The Star” – rotary, shoe cobblers nail tray
255. Long rabbet plane –early scroll decoration
256. Stanley No. 46 combination plane w/blades in the box
257. Hall Case & Co. – panel plow plane
258. Hall Case & Co. – prison labor plow place w/3 extra blades
259. T.F. Deck, Toledo OH – Toledo gravity level w/silver dollar on back
260. Blades of a Stanley No. 46 or 48 plane
261. Complete set of blades for a Stanley No. 444 dovetail plane
262. Complete set of blades for Stanley No. 444 dovetail plane
263. “Stanley” Russell Jennings set of auger bits like new in the orig. box
264. Piano & organ tuning repair kit, musical inst. tuner wrench, double end piano tuner wrench w/Rosewood & brass – misc. parts
265. A.A. Wood & Son – cutter in orig. box
266. The Irwin Bit Co. – carpenters set auger bits in Irwin Borcase
267. Early turn screw (screwdriver) blacksmith forged w/brass inlaid
268. Stanley No. 66 beading tool with cutter -8 cutters, 2 guides
269. Stanley No. 66 beading tool with cutter
270. Ebony & brass mortise marking gauge
271. Ebony & brass veneer slitter
272. Brass spill plane –makes a tight curled shaving
273. Brass & iron carriage makers plane – signed J. Gunner
274. Saw set hand forged wrought iron w/brass inlay – sign S.W.
275. Tin Smiths edge roller
276. Stanley No. 77 – dowel
277. Wm. O. Bayley Mfg.- core box plane
278. Wheelwrights buggy wheel wrench for tightening the rim bolts

279. German origin – fence post or frame mortising tool
280. Log holding “Dog” used to hold the log while hewing it square
281. Decorated brass lady legs caliper
282. C.S. Osborne – leather shiver or splitter
283. Brass & walnut leather knife
284. C.S. Osborne & Co. - Brass pistol grip leather knife
285. Decorated “1766” thread tap for screws – 100% orig.
286. Harness makers leather strap cutter – signed Blanchard
287. Leather work tools in flat (27 pc.) – some Rosewood handles
288. Leather work tools w/Rosewood handles in flat (23 pc.)
289. Leather work tools in flat (29 pc.) – some Rosewood handles
290. Leather work tool w/Rosewood handles in flat (29 pc.)
291. Carving chisels in flat (26 pc.)
292. Gauges in flat (16 pc.)
293. Gauges in flat (12 pc.)
294. Tapered reamer for the collar on wooden water pipe/pumps
295. Grave stone carvers set for sandstone -1800’s
296. Nail makers anvil – used to make wrought iron nails
297. Stanley No. 45 –combination plane type
298. Wilkes-Barre – J. Siegley combination plane
299. Stanley No. 50 light combination
300. Stanley No. 45 combination plane w/hollow & round attach.
301. E.W. Carpenter – panel raising plane
302. E.W. Carpenter – panel raising plane
303. Crown molding plane w/eagle stamp
304. Crown molding plane
305. N.N. Nathan Norton – adj. oval sash/window mullion plane
306. Ohio Tool Co. – No. 114 panel raising plane
307. Pair of 18th Cen. Tongue & groove planes w/extra blade
308. Crown molding plane
309. Henry Disston – W.W.II victory saw w/Rosewood handle
310. Henry Disston –victory saw w/Rosewood handle
311. E.C. Simmons - Keen Kutter hand saw
312. Cuyahoga Saw Co. – No. 6 tooth saw
313. G.H. Bishop & Co. – hand saw w/No. 999 locomotive on the blade
314. Atkins – flooring saw
315. Disston – dovetailing saw
316. Clegg & Barton – brass back dovetailing saw
317. Medical saw – signed Kolbe, Phil. PA
318. Miniature buck saw – old red paint
319. Bow saw – 1800’s
320. Child’s toy buck saw w/stand
321. Timber broad head axe
322. Coopers side hatch – signed A. Powell
323. Coopers side axe – signed Z. Dikman
324. Goosewing timber framers broad axe
325. 14” timber framers broad axe
326. Timber framers mortise axe
327. Collins & Co. - broad axe
328. Collins & Co. – broad axe
329. American made - Goosewing broad axe – signed Brady
330. Double sided broad axe – signed David Brady Sr.

331. Keen Kutter logo camp hatchet
332. E.C. Simmons – Keen Kutter hatchet
333. Bingham's Best Brand – logo hatchet
334. Buster Brown Shoes advertising hatchet
335. Wheelwright frame felloe saw or chair makers saw w/tightening device
336. Wheelwright hooked reamer
337. Splint basket tapering machine
338. Stanley No. 193 veneer plane w/orig. box
339. Wooden dowel cutter
340. Stanley Rule & Level Co. – 24" folding rule
341. Brass lathe sizing tool
342. Blacksmith or wheelwright tire measuring wheel
343. Wheelwright measuring wheel hand forged 1800's
344. Coopers adj. barrel bung auger
345. Fancy decorated turn screw –blacksmith forged
346. "Flour City" – coopers barrel head shave
347. J.G. Steiger - Coopers barrel head shave
348. Wood & brass square
349. Wood & brass square
350. Bras bound Rosewood square w/level
351. P.B. w/bee trade mark folding wooden square
352. Sandusky Tool Co. – No. 124 plow plane
353. Cabinet makers plow plane w/brass adj. arms & nuts –signed Martin
354. Carpenters plow plane – signed D.R. Barton
355. Cabinet makers adj. plow plane – Boxwood & beech
356. Shaffer & Cobb – plow plane
357. Ohio Plane Co. A.C. – Applewood cabinet makers plow plane w/blades
358. 18th Cen. plow plane
359. Adj. Dado plane w/brass tips
360. C.H. Walker - filletster plane w/adj. guide strimmer
361. Stanley No. 45 – type 5 w/2 boxes of blades
362. Panel raising plane -The bench hand – initialed W.M.D.
363. Cabinet makers cornice molding plane – Beech & tiger maple
364. Greenfield Tool Co. - pump plane
365. J. & G. Butler – cornice or cupboard molding plane
366. Ohio Tool Co. – crown molding plane
367. Davis & Cook – wood & brass level
368. Cook – wood & brass level
369. Davis Level & Tool Co. – double plumb & level
370. Acme Level Co. wood & brass level
371. Davis Level & Tool Co. = 18" cast iron No. 8 double plumb & level
372. L.L. Davis – No. 9 cast iron level 24"
373. American made – carpenter bow drill
374. Clock makers bow drill in walnut
375. 18th Cen. clockmakers bow drill – brass & wrought iron
376. Stanley No. 2 sweetheart trammel points
377. Henry Brown Pat. – cabinet makers brace & center bit w/11 bits
378. T. Ibbotson & Co. - ebony w/brass side plates – carpenters brace
379. Brass plated carpenters brace – signed Slater w/10 bits
380. Food chopper –blacksmith forged – signed Ludnig (Fish) Paul w/ orig. carrying cover
381. Starretts Machine level w/protective cover

382. Ebony wood auctioneer gavel
383. Windsor beader
384. Adj. bottom carriage makers draw shave
385. J.S. Cantelo – folding handle draw knife 8”
386. J.S. Cantelo – folding handle 6” draw knife
387. Curved bowl adz
388. Bowl adz
389. Shingle splitting froe tool and club
390. Shingle splitting froe tool and club
391. Brass gun powder room brace
392. Medium size coopers chamfer knife
393. Apple corer – signed H. Topping
394. Harness makers leather strap decoration embossing mach.
395. Double claw hammer
396. A. Cripe Tool & Mfg. Corp. - “Duo-claw” – double claw hammer
397. Chair makers hammer
398. Sm. anvil – 4 ¼” by 2 ½”
399. Coopers shave for the inside of the barrel stave
400. Stump anvil for hammer sharpening a stickle & sythe
401. Barrel numbering or sign making stencil – signed S.W. Reese & Co.
